## **PROVISIONS** **on All-Russian forum of pedagogical dynasties** **«Dialogue of generations»**

### **1. General provisions**

The All-Russian forum of pedagogical dynasties «Dialogue of generations» (hereinafter – the Forum) is a professionally and socially significant project that contributes to the revival, preservation and development of pedagogical traditions in education, raising the prestige of pedagogical professions in modern society.

These provisions define organizational and conducting procedure of the Forum and its methodological support.

The Forum is organized by the Ministry of Education and Youth Policy of the Sverdlovsk Region and Ural State Pedagogical University.

#### **The Forum goal and objectives**

The goal of the Forum is to create and test a universal model of promoting pedagogical dynasties in order to foster respect for the teaching profession, public recognition of teachers' merits, popularization of the best pedagogical practices as well as creating a sense of pride in the younger generation for compatriots who have made a significant contribution to work with children and young people.

The main objectives of the Forum:

- raising the importance and prestige of pedagogical education among young people, forming a sustainable value attitude to the teaching profession; popularizing pedagogical education;
- promoting family and spiritual values in education;
- promotion of the Ministry of Education and Youth Policy of the Sverdlovsk Region and Ural State Pedagogical University educational projects; acquaintance with modern trends in education;
- creation of an electronic database and best teaching staff virtual exhibition.

## **Forum participants**

The Forum can be attended by representatives of pedagogical dynasties – members of the same family and their close relatives who were pedagogical workers or are currently ones.

The participants of the Forum can be the families with three or more generations of teachers who have worked in the educational system before or are currently working there. At least one member of the pedagogical dynasty should work in the educational system during the Forum.

The Forum is open to pedagogical staff of educational organizations implementing programs of preschool, primary, general and supplementary education, secondary vocational and higher education; education management bodies.

The Forum hosts take into account the total number of generations of teachers and the total teaching experience regardless of the educational institutions where the members of a teaching dynasty worked.

A teaching dynasty may submit only one application for participation in the Forum.

## **Forum organization and hosting**

You can apply for participation from 8.00 a.m. (Moscow time) on August 20, 2023 to 8.00 p.m. (Moscow time) on October 01, 2023. Applications will be under consideration from October 02, 2023 to October 15, 2023.

Passport of pedagogical dynasty is formed on <https://peddinastii.uspu.ru>, there you can fill in the questionnaire, teaching motto and a brief history of the dynasty. Also the participant can create a genealogical tree and a methodological paper.

By filling in the relevant fields of the Forum website, participants agree that their personal data (full name, age, name of organization, etc.) and the text of the teaching dynasty passport will be published on this website. After reviewing the works Forum participants will automatically receive certificates of participation and a passport of pedagogical dynasty. This passport can be downloaded on the publication page.

To conduct a Forum, the hosts create an organizing committee including representatives of the Ministry of Education and Youth Policy of the Sverdlovsk Region, Ural State Pedagogical University and Forum partners.

The Forum organizing committee determines the work of the expert commission that selects passports of pedagogical dynasties for publication in the electronic catalogue. The expert commission evaluates the submitted materials based on the following criteria:

1. Number of teachers in the dynasty and number of generations that make up the pedagogical dynasty;
2. Total pedagogical experience of dynasty representatives and their professional achievements;
3. Credibility and meaningfulness in reporting the dynasty history;

4. Logical and competent presentation of the material;
5. Creative activity of the dynasty representatives.

The authors of the best materials submitted by pedagogical dynasties will be recommended to participate in the international Forum «Modern Teacher - A Look into the Future» in November 2023.

Participation in the Forum means the consent of the author(s) for further possible publication on a gratuitous basis. In accordance with the provisions of Part 4 of the Civil Code of the Russian Federation, copyright for works belongs to the authors of these works. The hosts of the Forum have the right to:

- reproduce, publish works in mass media, posters, billboards and other information materials on a gratuitous basis;
- publicly display work (hold exhibitions);
- to bring to the public's attention (posting works on official websites).

### **Financial support**

The participation in the forum is free of charge.

The Forum is funded by a grant in the form of a subsidy for carrying out the functions of the Centre for Continuous Professional Development of Pedagogical Staff using the "standard" model.
